

WORKING FOR THE COMMUNITY

Banff, Macduff and District Men's Shed

28-01-20

ref 19-41

Dear Sirs

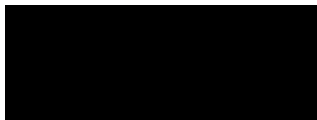

New Premises for Banff, Macduff and District Men's Shed.

Deveron District Age Concern is proud to be associated with Banff, Macduff and District Men's Shed (Mens Shed) The Mens Shed has helped to make improvements to our charity shop and we have used some of our shop sales revenue to provide financial assistance to the Mens Shed. We consider that the Mens Shed activities are providing important community benefits.

We are aware that Mens Shed premises are restrictive and expensive to limit their activities. Establishing a new base at the former Kingswell Nursery is considered to be a sensible solution. Deveron District Age Concern fully supports the Mens Shed proposals for a new home.

In conclusion, Deveron District Age Concern supports the Mens Shed move to the former Kingswell Nursery. We consider that these new premises will improve the benefits that Mens Shed can provide to the local community.

regards

 Hon. Treasurer, Deveron District Age Concern.
