

The Deveron Singers

Thursday, 23 January 2020

To whom it may concern:

On behalf of the Deveron Singers. I am writing to inform you of the help and cooperation we received from the Banff Men's Shed, who assisted in moving our staging from storage to Banff Academy for our concert in December. Not only did they assemble the staging, but returned the following day to dismantle and return the staging to storage.

They were found to be very willing and helpful and we commend them to you as an important asset of our community.

Yours sincerely,

Christine Palmer (Mrs)
Hon Secretary
