

Aberdeenshire Council

Marr Area Manager

Janelle Clark

Dear Madam,

I am writing regarding the transfer of the former public toilets in Lumsden over to the Lumsden Community Association.

I feel this is a good idea, if Aberdeenshire is not willing to re-open them, because the village needs these facilities particularly beside the children's play park, and for tourists. Business owners can get a bit fed up with people asking to use their toilets.

Yours Faithfully,

12/08/19
