Subject: Fraserburgh Sea Cadets (Ref: ST7881)

Sensitivity: Normal

Dear Mr Trail,

Fraserburgh Sea Cadets

Thank you for your email regarding the Fraserburgh Sea Cadets and your search for new premises. I am very glad to hear that you seem to have identified a suitable location, and I very much hope this will enable you to continue providing opportunities for young people in Fraserburgh and the surrounding area for the foreseeable future.

As you may be aware, parliament has now gone into recess ahead of the election on 6 May, and I have retired as an MSP. Due to the exceptional circumstances of the current pandemic, however, MSPs are able to continue to progress existing and/or urgent casework right up until polling day. If there are specific actions you would like me to take on your behalf, please do let me know.

I am well aware of the positive role the Sea Cadets play in Fraserburgh (and our other maritime communities) and appreciate the dedication of the volunteers who make it possible for our young people to benefit from these experiences that broaden their horizons. I wish you every success going forward.

With best wishes.

Yours sincerely,

Stewart Stevenson MSP
Banffshire and Buchan Coast
