TO WHOEVER IT MAY CONCERN

Networks of Wellbeing
Property at 34 West Park Street, Huntly AB54 8DY

We write in connection with the possible lease of the above property and wish to formally document our support to this proposal.

Wee Toots is a non-profit making organisation committed to offering high quality facilities for the under 5's in Huntly and the surrounding area.

We feel that it would make the services Networks of Wellbeing provide a lot more accessible to our members, say for parents leaving their children at our crèche and messy play sessions, and then just having to walk across the road to take part in support services like counselling, mindfulness sessions, acupuncture etc.

Yours faithfully,

Di Mitchell
(Chairperson)
