Your comments

Main Issues Report comments:

MR029 would severely affect the beautiful view of the countryside from all the houses already situated higher up looking over this spot. This would be very unfair to the existing residents, some who have lived here for many years, where one of the best parts of living where they do is for the view of the unspoilt countryside.

MR030 would be very detrimental to the woodland area which is used every day by many people of all ages for recreation.

To put houses in either MR029 or MR030 would also increase the traffic around the Feugh Bridge which would make this picturesque spot very congested.
