Backing statement for APP Nos KN044, KN045, KNO47

I attended the Drop In Event at the School Community Campus in Portlethen on Tuesday 19th February, 2019. Having seen the various proposals, I would like to give my backing to the smaller 5 /8 house developments in the Maryculter & Netherley area. I believe it gives people the flexibility to choose a smaller development over the alternative option of a large development such as Chapleton - a site under constant construction. It also gives you the opportunity to be able to afford to live in a rural setting with all the additional benefits with extended gardens at Crynoch leading down to the river to allow fishing in the Crynoch Burn. For families like ours, it offers an ideal central location in the countryside for our social life and work commitments.
