In reference to bids MR017, MR018, MR019; proposal of 84 homes at the A93-Pitmurchie Road, Kincardine O’Neil.

MR019 was determined as “Officers’ Preference” within the MIR, with a delivery timescale of 10+ years after adoption.

A response to the MIR has previously been submitted by Kincardine Estate c/o Leanne Imlach at Strutt & Parker.

This response is in regards to the response issued by the Kincardine O’Neil Community Association Committee:

We refer to the Response by the Kincardine O’Neil Community Association Committee to the MIR of the Local Development Plan 2019. We draw to your attention that a large proportion of the above response has been written, we believe, by individuals who are residents of sites very adjacent to the affected site MR019 and who may have vested interests in preventing the development. We see no declarations of interest in the response.

We are of the opinion that MR019 is the logical location for future phased development in Kincardine O’Neil which will allow the community to retain valued local services. The timing of the development is something we leave to the Local Plan process.
