I refer to the Marr Settlements appendix to the Aberdeenshire local development plan 2021. I refer to the Banchory section in the Marr Settlements appendix.

I support the planning objectives stated on page 14.

I am concerned that more housing will put increase the demand for the secondary school Banchory Academy which is currently already at maximum capacity. This means that further housing requires another secondary school for Banchory.

The Marr appendix at page 16 states that an objective is to protect and enhance the role and attractiveness of the town [Banchory]. The area around development bids MR040, MR041, MR056 and MR062 is an important amenity in all seasons for Banchory's many walkers, who regularly pass our house in Hillview Road. I fully support the comments on these bids on pages 22 and 23.
