We would like to object to the planning application for site MRO53 and reiterate that officers have assigned the bid as 'not preferred', and that it has been set aside for future educational use (for a new Banchory Academy when it is required) in the Local Development Plan (Mar's Banchory).

If land is not available when a replacement school is needed, this could cause significant delays (as experienced in Drumoak recently).

The land set aside is close to the new Banchory Sports Village which would be a great asset to the new school.
