### Re The Main Issues Report 2019 for the Banchory area

Having looked at the above LDP for the Banchory area we are horrified for the amount of housing proposed to the North of Banchory in the Upper Arbeadie and Lochton of Leys ref nos:- MR062, MR056, MR039a, MR053 and MR082.

It appears from your map at site OP2 that work has started building there. How can this be allowed in the Lochton of Leys Area when it's an existing opportunity site?

The centre of Banchory is disappearing with apparently no help being given to support businesses so why are more and more houses being constructed. There is no apparent infrastructure there to support the existing community? So why more.

We live in a rural area which is why many people came to live here, but we are rapidly losing our rural status. Wildlife and beauty are slowly being eroded the destruction of the natural landscape.

Further to this we are concerned that land earmarked for the building of a new academy (much needed) seems to have disappeared. Where would the new academy go now?
