Your comments

I would support an development at Aboyne as indicated on the are MR020 for the following reasons:

- **Aboyne is essentially a flat village settlement and not on hillsides**
- **The proposed development due to its height would alter the profile of Aboyne**
- **The development would result in the destruction of mixed woodland that is the habitat of red squirrels, dear, owls and raptors**
- **The woodland area is frequented by dog walkers, runners and for recreational purposes**
- **The increased building would have detrimental impact upon roads, drainage and local recreational amenities**
