Site east of Ardoe House Hotel, Mid Ardoe

The **overview** states 'the site is situated...on land that contains a garage that was approved as part of a separate planning application for a single house'

This statement is factually wrong, inaccurate and misleading.

The building was the original maintenance building / garage for the large gardens of Mid Ardoe which formed part of the application APP/2014/2156 Erection of Replacement Dwelling House and Alterations to Garage. The replacement house has a triple garage, deeming the original building redundant.

In addition the comment 'is not within walking distance of services and would encourage unsustainable modes of transport' is also incorrect as the site lies less than 200m from the South Deeside Road where there is public transport.
