Your comments

- 1) Houses in the village are not selling.
- 2) no facilities eg. shops
- 3) Local (new) school demolished & ground not being used.
- 4) Main sewer pipes sited under main access road.
- 5) Garage for Milne's buses off access road ^{7. road} is used by outgoing & incoming buses.
- 6) During bad weather access road is sheet ice & vehicles are unable to use safely.
- 7) Assuming 2 cars per household then would be 20 cars + buses using access road. Potential risk for children playing in lane.
- 8) Access road used by tractors / farm machinery accessing surrounding fields.
- 9) Possible undermining of surrounding properties 4 & 8/10 The Square by increased volume of traffic.
- 10) Road to potential site would need upgrading as, at present, it is rough-surfaced access with no pedestrian walkways.
- 11) No 30 mile-an-hour limit sign posted through village so access onto main road through village on dangerous corner. ^{Potential accident hotspot!}
- 12) Heavy lorries use road through village as 'cut-through' from ^{Benny / Fraserburgh} road to A944 Aberdeen road. Also large tractors & animal transport vehicles.
- 13) Small sewage works at bottom of the village. Is it able to cope with the extra usage?
