By submitting a response to the consultation, I agree that Aberdeenshire Council can use the information provided in this form, including my personal data, as part of the review of the Aberdeenshire Local Development Plan. This will include consultation on the Main Issues Report (including any subsequent Proposed Plan).

I also agree that following the end of the consultation, i.e. after 8 April 2019, my name and respondent identification number (provided to you by Aberdeenshire Council on receipt of your submission) can be published alongside a copy of my completed response on the Main Issues Report website (contact details and information that is deemed commercially sensitive will not be made available to the public).

The data controller for this information is Aberdeenshire Council. The data on the form will be used to inform a public debate of the issues and choices presented in the Main Issues Report of the Aberdeenshire Local Development Plan 2021. It will inform the content of the Proposed Aberdeenshire Local Development Plan.

Aberdeenshire Council will only keep your personal data for as long as is needed. Aberdeenshire Council will retain your response and personal data for a retention period of 5 years from the date upon which it was collected. After 5 years Aberdeenshire Council will review whether it is necessary to continue to retain your information for a longer period. A redacted copy of your submission will be retained for 5 years beyond the life of the Local Development Plan 2021, possibly until 2037

### Your Data, Your Rights

You have got legal rights about the way Aberdeenshire Council handles and uses your data, which include the right to ask for a copy of it, and to ask us to stop doing something with your data.

If you are unhappy with the way that Aberdeenshire Council or the Joint Data Controllers have processed your personal data then you do have the right to complain to the Information Commissioner's Officer, but you should raise the issue with the Data Protection Officers first. The Data Protection Officers can be contacted by writing to:

- Mr Andrew Lawson, Data Protection Officer, Aberdeenshire Council, Business Services, Town House, 34 Low Street, Banff, AB45 1AY

Draft Proposed Aberdeenshire Local Development Plan that we object in total to any development in the entire areas marked as Bid Sites FR061 (OP5) & FR062.

Our objection's are as follows:

- Further retail provisions are not required or requested, we are unaware of any poll that was taken to ask us of our opinion for these provisions
- Public transport is in no way sufficient to allow for extra housing, at present the bus journey into Aberdeen is over an hour and there is not a provision for public transport to Inverurie
- Oldmeldrum is a small family community and that is why the existing residents chose to live here, we don not wish to live in a "built up" area, we wish to live in the country side. However if,adding the 140 homes from Bid Sites FR068 (OP2), FR069 (OP4) & FR119 (OP1) would bring between 300-500 new residents to the village to help bolster the towns growth at a reasonable pace to further support local services and facilities, yet preserving the countryside settlement feel and charm.
- We also feel that the nature and wildlife area in the proposed areas should be observed, Red Squirrels (endangered in parts of the UK), deer, grouse and many other wildlife creatures inhabit these areas
- With more housing comes more residents, It would not be safe for School children to cross this main road, particularly at peak traffic times, the A947 is already a busy road. Having more traffic leave from Newbarns and park Lane would cause chaos, currently around 10 cars use the Newbarns entrance, if this was to go to 200 – 300 cars we would never get out on to the main road.

**Your comments (continued)**

- We understand that we do not own our view, however we bought our house in Newbarns because of the view, we made a choice not to live in a housing estate and paid a premium price for that, we understand that progress will not stop however does this need to be outside the village boundries?
