

Dales Park School Pupil Questions for the Merger of Dales Park and Meethill Consultation

If Dales Park and Meethill Schools move to the Kinmundy site they will be merged into one school. Classes will remain the same size but there will be more of them.

- Q. What would be the good things about the schools joining together?
A. More people to play football with, help mend/ improve relationships between Meethill and Dales (apparently there is rivalry), get to make new friends
- Q. What would be the bad things about the school joining together?
A. Relationships might be difficult to start with, travelling to the school, might be too far
- Q. What might be the advantages of moving to a new school?
A. More room, more fun, more people, bigger games hall, more opportunity for sports
- Q. What might the disadvantages of moving to a new School?
A. Scared, unknown, might be harder to learn in a big school
- Q. Is there anything that worries you about the new primary school?
A. Difficult for the older Dales children that have already settled into their environment, re zoning might be an issue, it might not be built in time
- Q. Is there anything that would be exciting about moving to a new school?
A. Make new friends, more teachers
- Q. Do you want to give any other comments?
A. No
