Gavin Craig	Yes	
Elodie-Sophie Burnside	Yes	Very positive things for the kids
Kirstin Tornie	Yes	
Drew Jarvie	Yes	
Judith Robb	Yes	This would be so beneficial for the local community. It would be great for scooters, skateboarders – an opportunity to be active locally, not travel. Would also encourage people to visit Banchory. Would give youngsters something to do – and not all youngsters can participate in team sports – beneficial for all abilities.
Sam Stockwell	Yes	Banchory needs a skate park!
Kate Parton	Yes	Great idea. There are few facilities for young people in Banchory but the Council is approving more and more homes. Vandalism by young adults/teenagers is on the increase and important outlets and healthy activity options are essential. Skating and scooting parks are very popular and Banchory has nothing for this. Trips to Stonehaven or Alford are not possible for many. We look forward to this new skatepark.
