

**Stonehaven Flood Protection Scheme**  
**Community Benefits Report**  
**Stonehaven Harbour Festival**  
**Sunday 25<sup>th</sup> August 2019**

The Harbour Festival is an annual joint initiative by the Rotary Club, the Lions Club and the Round Table. The Clubs got together to organise the first of this series of Festivals in 2013, to give people in Stonehaven something to celebrate following the 2012 floods, and it has continued annually since then.

This year's theme was "Save our Seas" and had a record attendance at a hot 24 degrees.

McLaughlin and Harvey as part of their Project Community Benefits made a donation of £350, took part in the Raft Race which was great fun and had an Project information stand which was well attended.

In addition, a raffle for "Harvey" our mascot with the proceeds going to the fundraising.

The children took part in a project related coloring competition involving ducks, trees and dump trucks and winners chosen by two of the project team. The RNLI mascot "Stormy" also took part ..... with a little help from a friend

Our winners will receive their prizes

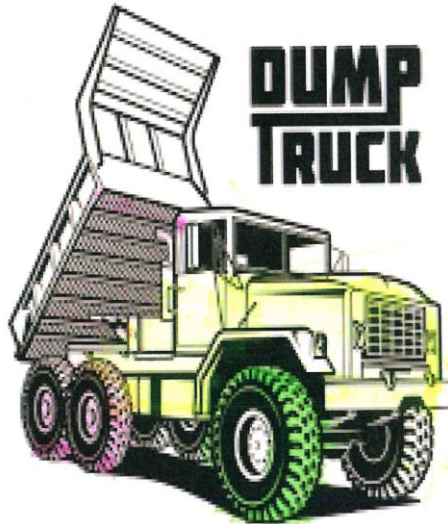

**The team came in third and received medals and £50 donation prize which was given by the organisers of the event**

**“The Protectors”  
The team including Harvey the mascot and Paddy the Therapet**

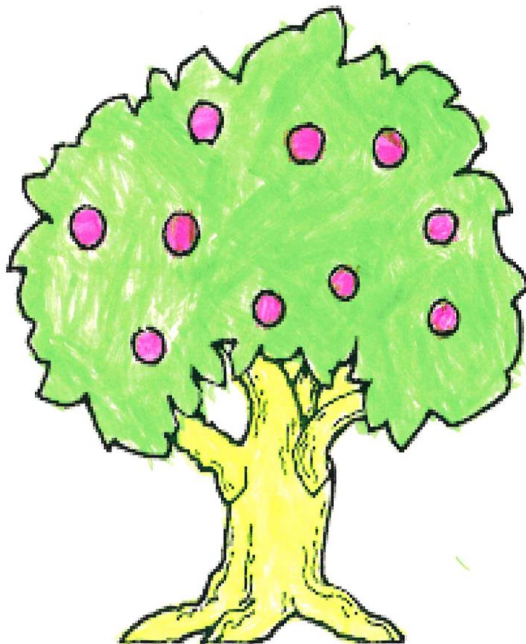

**CLO Sheila and Harvey soaking up the fun and sunshine.
