**When the creation of a new town was agreed at Chapelton, one of the conditions agreed at the meeting was that no more houses would be built in Portlethen.**

**Currently Chapelton have halted building houses as they can't sell them, leaving Portlethen's medical centre, dentists, education etc straining under the pressure (as they are currently zoned for Chapelton residents).**

**Any more houses in Portlethen would result in the need for more doctors, schools, play areas etc none of which will be provided along with the houses.**

**Enough is enough – focus on the new town for any further housing and do not allow any more houses to be built Portlethen.**
