The Wartle Community Association have recently become aware of proposal GR112 (which is immediately opposite our village hall) in the Local Development Plan 2021 Bid Site.

Whilst we support the proposal we suggest that some off-street parking provision be included as part of the consideration of the proposed development.

We regularly hold functions at the hall when up to 20 cars are parked outside and in the vicinity of our hall. This parking happens on a narrow road and as well as being a traffic hazard it also creates discord/nuisance for our neighbours.

We recommend consideration be given to provision for car parking within Bid Site GR112 proposal. This will resolve current parking difficulties, enhance the amenity for Wartle Village Hall users, and improve neighbourly harmony!
