

REPORT TO COMMUNITIES COMMITTEE – 9 NOVEMBER 2017

EDUCATION AND CHILDREN'S SERVICES QUARTERLY PERFORMANCE EXCEPTION REPORTING APRIL – JUNE 2017, (ABERDEENSHIRE PERFORMS)

1 Recommendations

The Committee is recommended to:

- 1.1 Acknowledge the performance achieved April – June 2017 referred to in paragraphs 2.4 to 2.7;
- 1.2 Consider those measures where performance is below expectations April – June 2017; referred to in 2.6 and 2.7;
- 1.3 Acknowledge the publication of the complete April – June 2017 Performance Report on Ward Pages;
- 1.4 Instruct the Director of Education & Children's Services to continue to report, by exception, to Committee quarterly performance measures against Service objectives.

2 Background / Discussion

- 2.1 The purpose of this report is to advise Committee of how the Service is performing against key performance measures and associated targets as set out in the Education & Children's Services (ECS) Service Plan, approved by the Education & Children's Services Committee on 23 March 2017.
- 2.2 Given this is a transition year for the Council priorities, and with ECS taking the opportunity to revisit service planning processes, this year's Service Plan is a holding one. The performance measures have been reduced in number to reflect this, with the intention of developing a more meaningful set of performance measures for the 2018-2021 ECS Service Plan.
- 2.3 The performance measures are linked to the service's priorities. The quarterly performance monitoring report provides regular opportunity for elected members to maintain scrutiny of significant activities in order to achieve good outcomes for the residents of Aberdeenshire. As per the Scheme of Governance and the new policy committee structure, the libraries, culture and sports and leisure measures are reported to Communities Committee rather than the Education & Children's Services Committee.
- 2.4 The performance during the first quarter of 2017/18 can be summarised as follows:

Key Service Objectives	Overall Assessment
To nurture a culture which supports our staff to deliver high quality, efficient and responsive services	Improved overall satisfaction level ratings contribute to a stronger overall performance this quarter.

- 2.5 There are a total of 3 measures evidencing performance against the key service objectives this quarter. All 3 measures (100%) are on target (*green*) – therefore there is no appendix to this report highlighting exceptions this quarter. However, a comprehensive performance monitoring report for the period April – June 2017 is available on Ward Pages.
- 2.6 The following table provides a summary of the extent to which performance is improving or not, in the short term and in the long term, based on the “up/down” arrows for each measure set out within the full report:

	Short Term		Long Term	
	Number	Percentage	Number	Percentage
Improving Performance (A)	3	100%	3	100%
No Change (B)	0	0.0%	0	0.0%
Improving or staying the same (A+B)	3	100%	3	100%
Measures where performance was not as good as in the last quarter (C)	0	0.0%	0	0.0%
Total (A+B+C)	3	100%	3	100%

- 2.7 The following aspects of performance across Aberdeenshire are highlighted for quarter one 2017/18. Further additional details about each are provided within the commentary section of the full report:

- 2.8 The Head of Finance and Monitoring Officer within Business Services have been consulted in the preparation of this report and had no comment to make, and are satisfied that the report complies with the Scheme of Governance and relevant legislation.

3 Scheme of Governance

- 3.1 The Committee is able to consider and take a decision on this item in terms of Section D.1.1.e of the List of Committee Powers in Part 2A of the Scheme of Governance as it relates to policy issues and resource matters for Lifelong Learning and Leisure matters relating to Leisure and Sport.

4 Implications and Risk

- 4.1 An equality impact assessment is not required because the report is to inform committee on performance and does not have a differential impact on any of the protected characteristics.
- 4.2 There are no staffing and financial implications arising from this report but trends are used to inform improvement activity and future budget planning.
- 4.3 The following Risks have been identified as relevant to this matter on a Corporate Level:
- *Business & Organisational Transformation* – monitoring the performance indicators linked to the service plan along with the project management approach will mitigate this risk
 - *Reputation Management* – monitoring of the performance indicators linked to the service plan along with our internal policies and procedures mitigate this risk
