## Park Smart Homework 2 (P4-P7)

## Why Park Smart?

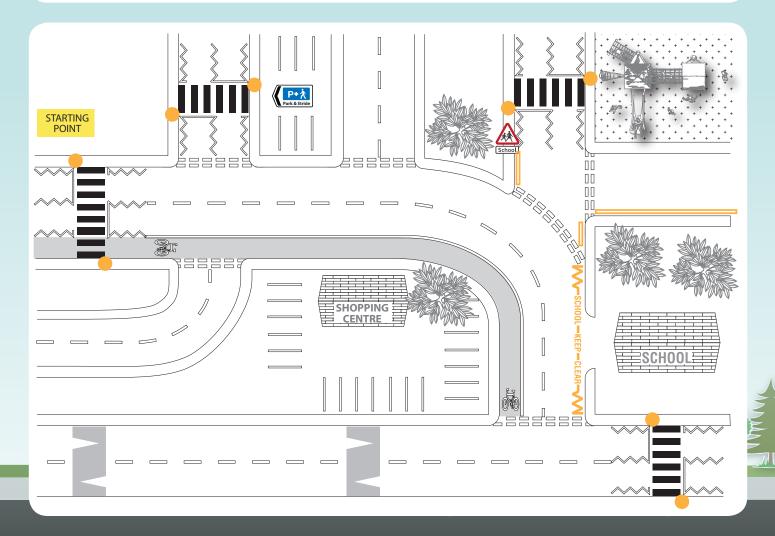

If you can walk, scoot or cycle to school instead of driving, even for part of the way, you can:

- Have some quality time with your children on the journey to and from school
- Make your school journey less stressful and chaotic
- Probably save some money on fuel

## **Homework instructions:**

To do this homework ask an adult to help you complete the tasks. On the map below:

- Identify three places where you think is unsafe for cars to use as drop-off/pick-up locations; these should be marked with **RED CROSSES**.
- Identify three places where you think is safe for cars to use as drop-off/pick-up locations; these should be marked with **GREEN DOTS**.
- In the box below explain why do you think the locations marked with the red crosses are unsafe.

If you do need to drive, then parking smart will mean that you don't put your own children or other people at risk around the school.
