Dear learning estates team,

I am writing this letter on behalf of the Anna Ritchie parent council regarding the proposed new school at kinmundy road, Peterhead.

On Friday 8<sup>th</sup> November 2019 we had our parent council meeting part of our agenda was to discuss the proposal.

A few parents voiced to stay at the current location.

All parents strongly objected to a merger.

The majority of our parents voiced they were for re location as long as the following requirements were met.

### **Requirements of re location**

- Anna Ritchie school situated at one side of the campus and Peterhead academy at the other so they are located as far away from each other as possible.
- A large separate outdoor area
- separate private dining room & kitchen.
- Hydro pool (must be at least same size as our current one) & warm separate pool only for Anna Ritchie use.
- Other facilities to be separate: therapy room, home ec room, gym hall, office, classrooms, rebound room & sensory room.
- Separate entrance & car park
- swipe card to access Anna Ritchie school (no access to mainstream children without staff)
- we want to view provisional architect plans for new school and we want our objections heard

in order for us to give our support to a re location we would need written conformation that our requirements are being met.

We look forward to hearing from you

your sincerely  
Anna Ritchie parent council
