Your comments

1. These comments are supplementary to those submitted in my behalf by my Solicitors, Shepherd and Wedderburn.
2. I adopt and repeat the comments of Mrs. Kirstie Forbes-Sempill in her submission. I also adopt the conclusion on page 13 of the Appendix for Marr Settlements: "Alford continues to have considerable development through the delivery of existing allocations and would benefit from a period to consolidate and react to this growth."
3. The labelling on the map on page 10 of the Appendix for Marr Settlements needs to be clarified. It should make it clear that MR022 continues through MR015, which is not an interruption of MR022.
